

Dear Allen Eagles Players and Parents,

Help show your Allen pride by supporting the Allen Eagle Volleyball Program!

Our goal is to raise money for the volleyball program with the sale of Allen Eagle air fresheners. This money helps cover the cost of uniforms and equipment used by players and coaches at all levels of the program. In order to reach our goal, we need each player to raise \$100.00 by selling a minimum of 20 air fresheners at \$5.00 each. **These air fresheners can be used in cars, lockers, offices, and pet areas to name a few ideas, and can be sold to friends, neighbors, teachers and relatives.**

The fundraiser begins today and closes High School 8/27/18, Middle School 9/17/18. We expect each player to sell 20 air fresheners. Players can collect \$5.00 via cash, check, or personal venmo. **At the close of the fundraiser, each player will make their \$100.00 payment to The Hit Squad** via personal check or through PayPal: <http://www.alleneaglesvolleyball.com/donations.php> (click on the yellow 'donate' button located midpage).

Make your Sales Pitch Count! Try this: "Hi, my name is _____. Our volleyball team is raising money to cover the cost of new uniforms and equipment. Would you be interested in supporting our efforts by purchasing an air freshener for your car, gym locker, office, or home? They only cost \$5.00, and are a great way to display your Allen pride!"

Any questions about the fundraiser can be answered by your coach. Thanks in advance for supporting Allen Eagles Volleyball and for helping make this the best season yet. **Go Allen Eagles!**
